*"Personal and professional empowerment at reasonable rates.  
More flexible, reliable, and tailored than free advice services."*

# BRIDGE THE GAP FACILITATORS

btgfacilitators@protonmail.com

We are a team of three - Sue, Jennie, and Rowan - based in Weymouth. We facilitate our clients on the phone, on Zoom, by email with background work, and face to face.

We work flexibly to suit you and can come to your home, meet in town, or speak in the evenings or weekends.

“  
I just wanted to praise the flexibility of the service.  
”

“  
The help and advice given to me has been literally life changing.  
”

“  
I feel there is no room to improve, you three offer everything I could ever need!  
”

After the first FREE 30 minute assessment we charge £25 per hour plus any travel costs. Prices are negotiable and we work to a Code of Culture, available on our website.

Contact us for any personal or professional challenge and we will find your resolution with you.

Email us at the address above or call on 07803 327420.

“  
I have had a number of different talking therapies in the past but I have received far more practical advice and insight here than I have anywhere else.  
”
